From the office:

Please could parents ensure their child has a **coat** in school? The weather is beginning to turn and we do like to go outside even if there is a little rain.

Lego Club – Miss B would like any “old but good quality” Lego bricks for her club. Please drop into school if you have anything suitable

Wraparound – It is imperative parents return their booking forms and do not just simply turn up without having booked first. We must ensure we have suitable staffing levels and can only do this when we know how many children to expect. Many thanks for your support in this.

Lunchtime reminders:

Lunch boxes – Please could we remind all parents that we are a **healthy school** and as such encourage healthy lunchboxes. Some examples of what you could include are:

Fresh fruit, crunchy vegetables, dairy food such as cheese sticks or yogurt, starchy food such as bread, roll or pita bread and water are all great examples. We try to discourage chocolate bars, although it's ok if its biscuit based; and remember **NO NUTS!**

Please could parents make sure all **Grapes** are cut lengthways as this can happen to any child? It is an x-ray of a grape lodged in the top of a 5yr olds airway, who under general anaesthetic had it removed and saved his life.

Snacks in KS2 – it is important to note children in Y3 and Y4 are not entitled to free fruit but can order it with Mrs Marlow and pay separately. To date only 3 children have done this and we are noticing a lot more hungry children at playtimes. If you would like to order fruit please see Mrs Marlow or provide your child with an appropriate snack. No chocolates or crisps at playtime please.

School dinners must be ordered by Tuesday midnight for the following week. Late orders cannot be accepted and the menu for the term is available. Simply click past the half term week to access the weeks following.
